SAVF Martha Hofmeyr Old Age Home is catering for older persons to live healthy and fulfilling lives, but who might need some care and protection with their daily activities. Currently there are vacancies for persons older than 60 years who need basic assistance and have a need to socialize with other older persons and who cannot stay on their own anymore.

### The Old Age Home has the following to offer:

- Peaceful environment.
- Well maintained garden and sitting corners to relax privately or with family members.
- Secure care for the older person
- Planned activities to address or meet all the older person's emotional, physical, psychological, creativity, fun and social needs.
- Socialisation with other older persons.
- Balanced and nutritional meals as approved by a dietician.
- Access to a Library.
- 24 hours medical care, if it is needed.
- Reliable dispensing of medication.
- Temporarily care if the caretaker wants to go for a vacation.

### How do I apply for admission of an older person?

- Collect application forms for admission from Reception or request forms per email.
- Complete the prescribed application form.
- Medical report - duly completed report by the treating doctor.
- After the receipt of the required documentation an assessment panel is arranged.
- An original doctor's medical prescription for chronic medication.
- Medication for 1 month.
- R500 once off administration fee
- Copy of valid Covid -19 test prior to admission.

**We look forward to welcome you as part of the Martha Hofmeyr family!**
